***Need to Get From "Camp Fun in the Sun"  
to Summer Enrichment Classes?***

***Summer Enrichment Institute (SEI) and "Camp Fun in the Sun" working hand-in-hand to allow parents extended childcare before-and-after summer enrichment courses.***

Have the freedom to enroll your K-5 student in morning summer enrichment courses and attend "Camp Fun in the Sun". K-5 students who take any course(s) between 8:00am – 12:00pm can sign-up for walking transportation to and from "Camp Fun in the Sun" and the SEI. This will allow students to participate in fun and exciting summer courses and still participate in the afternoon field trips run by "Camp Fun in the Sun".

"Camp Fun in the Sun", housed at Rossmoor Elementary School, is just three blocks from the SEI, housed at Lee Elementary School. A designated school district employee will walk students to and from the camp and their classes, assuring they arrive safely and on-time.

**5 day a week transportation = \$10 weekly fee**  
**2-3 day a week transportation = \$5 weekly fee**

Make sure that you enroll your child in both "Camp Fun in the Sun" and the desired morning (8am-12pm) Summer Enrichment Institute course(s). Then simply fill out the SEI Transportation Request Form, available at Kids Korner or online through the SEI Icon at [www.loaledfoundation.org](http://www.loaledfoundation.org).
