

**LOS ALAMITOS UNIFIED SCHOOL DISTRICT**

Dear Parents: The people listed below are contract teachers and substitute teachers from our school district, students, community members and anyone else who has expressed a formal interest in tutoring. As a service to our community, the Los Alamitos Unified School District collects and distributes these names to parents upon request. Since the individuals on this list are voluntarily placed and are not evaluated or supervised by district personnel in a tutorial capacity, the district does not take any responsibility for their performance as a tutor. While there are many excellent tutors on this list, the placement of names on the Tutor List does not indicate district recommendation or endorsement of any individual person.
