### **Seniors:**

Attention Seniors -- As the countdown to graduation continues, final transcript orders must be made in writing to the Records Office before or after school, nutrition, and lunch. Be sure to clear all Media Center fees, fines and charges before graduation because any outstanding item will place a hold order on final transcripts. Please fill out the YELLOW request form located in the Records Office. Make sure to check with Mrs. Bela to see if you owe money for these or past transcripts. Transcripts will be processed and mailed within 5 days of posting the final grades to your transcript. Thank you. Mrs. Bela - Records.
