Link Crew Commissioner

NOTICE TO THE APPLICANT: When applying for Link Crew Commissioner, it is important to know that this is a HUGE undertaking. Commissioners have spent countless hours over the summer and during the school year planning for events to make sure everything runs smoothly. It is a necessity to be organized and willing to devote time to these tasks. UNLIKE other years, the Commissioner team will have more responsibility during the school in the planning and implementation of events. This year there will be 6 to 8 commissioners selected to ease the burden of this job – but this does not mean "free time" – it means the adults in charge expect you to follow through on obligations and deliver productive, well-constructed Link Crew events.

ANSWER THE FOLLOWING QUESTIONS:

1. What other extra-curricular activities are you a member of the leadership? (Ex. Captain of a sport, on the board of another club, run a church group, etc.) ***IF YOU FAIL TO LIST A LEADERSHIP POSITION FOR A MAJOR CLUB OR ORGANIZATION, YOU WILL BE DROPPED FROM YOUR COMMISSIONER POSITION ONCE WE DISCOVER YOU ARE OVER-EXTENDED – LIKN CREW IS YOUR PRIORITY IN REGARDS TO LEADERSHIP.*** Please list all obligations below:

2. How do you envision your role as **BOTH** a Link Leader **AND** as a Link Crew Commissioner?

3. What is the "something extra" you can bring to Link Crew as a Commissioner?

4. Why do you want to be a Link Crew Commissioner?
