

Changing your password in Aeries Browser Interface (ABI)

In order to increase security and protect your student's information, the Los Alamitos USD has implemented a password change policy which will occur every 90 days. The change will require a password with a higher level of security than has been required in the past. Following is the information you will need to successfully change your password.

Normally you will open the webpage at parent.losal.org and the following login screen will display.

If it has been more than 90 days since you've changed your password, the following screen will display:

You must select a password with the following complexity, a minimum of 8 characters with at least one each of the following included: uppercase letter, lowercase letter, number.
