

Gabriel Ramirez 2019 Classified Employee of the Year Transportation

Gabe is an instrumental employee in the Transportation Department of the District. He serves the District as a bus driver and driver trainer. He is a very conscientious and dedicated person who cares deeply about our scholars and the service we provide to them. Under his training and guidance, our drivers are some of the safest in the State. He is well respected throughout

the county and with the California Highway Patrol for his dedication, attention to detail and genuine passion to student safety. Gabe was recently recognized by the CHP for his efforts with an award of “Challenge Coin” recognizing his personal ethics and the honor in which he has upheld the School Bus Program in the State of California. He has shown time and time again his compassion for our students and his efforts to ensure that our transportation department is not only the best but the safest for our riders. When meeting with school site Principals, Gabe’s name comes up often and the comments are always positive. In fact, individual students and parent groups often send Gabe appreciation letters, certificates and small trophies as tokens of appreciation for his hard work and commitment to families. Gabe is a great example of an exemplary employee. He is dependable, reliable, works well with his fellow employees, and most of all, his eyes light up when he comes into contact with our young scholars.

Please join us in congratulating Gabe on this recognition. We are honored to work with him and to have him represent the excellence we have in Los Alamitos Unified School District.
