Oak Middle School
8:00 AM – 12:00 NOON

OBJECTIVE: *The Academic Summer Bridge program is an extension from the current school year to the next academic year. This priceless learning opportunity provides an engaging and exciting place for students to master concepts, review important content, and further develop their study and organizational skills.*

COURSE OVERVIEW:

Humanities: This engaging course will combine key English and history concepts. Vital skills like reading, writing, oral communication, and vocabulary building will be taught through the lens of history.

Math/S.T.E.M: This engaging course will combine key math and science concepts. Vital numeracy and computational skills will be taught through the lens of scientific exploration.

Please refer to the top of this sheet to determine if your student was recommended for a 1-period program or a 2-period program. Students who are recommended for a 2-period program will be enrolled from 8:00 AM – 12:00 NOON. Students who are ONLY recommended for one period of instruction will be assigned to either Period 1 or Period 2 of Summer Academic Bridge. ***Based on class availability and enrollment numbers, students taking only 1-period of instruction will be notified via email, which period they are enrolled in by June 7th.***
