

## Breakfast at Tiffany's Parts 14,15 &16

1. Where has Holly been taken at the beginning of this section? What are the narrator and Joe Bell speculating about?
  
2. What does Joe want the narrator to do to try and help Holly?
  
3. Who does the narrator call first? Who does he call second? Who answers the phone? What does she say about Holly?
  
4. Who does the narrator then consider calling but why does he then decide not to do so?
  
5. Who does the narrator finally get hold of and what does this person tell the narrator he has already done?
  
6. Who is Iggy Fitelstein and what can he supposedly do for Holly?
  
7. What does the narrator find when he goes to Holly's apartment? Who is there and who does he look like? Who is he in reality? What does he want the narrator to do for him?
  
8. Where does the narrator go 2 days later and whom does he visit? What happened that she is there? Whom does she blame for this?
  
9. Describe the person Holly "sees" as a vision when she is in her deepest grief? When did Holly see her?
  
10. Whom does Holly ask the narrator about? What does she want to do first before he reads the letter?
  
11. What is in the letter? Describe in detail! What does Holly ask the narrator? How does he respond? What does he think she is really feeling? What does Holly admit to the narrator?
  
12. What are Holly's next plans for the state? What does the narrator plead with her to do?
  
13. What is Holly planning on doing next? When? What does she ask the narrator to do for her? How does he respond to that and what does he tell her the state wants her to do?
  
14. What is Holly looking to escape? What does she say will happen even if found innocent?
  
15. What does Holly ask the narrator to find her before she leaves on her trip? What does she want for good luck?
