

LOS ALAMITOS HIGH SCHOOL ATHLETICS OBSERVER GUIDELINES

Aligned with guidelines from the California Department of Public Health (CDPH), Los Alamitos High School (LAHS) will be implementing approved guidelines for athletic competition. A limited number of observers will be permitted at athletic competitions under the health and safety protocols implemented by the Los Alamitos Unified School District for the strict purpose of age-appropriate supervision. The District will make recommendations for the allowance of observers at a competitive event in accordance with guidance from CDPH and Orange County Healthcare Agency (OCHCA). The District will operate with the goal of allowing two observers per student athlete household, although the decision to allow observers will be made on an event-to-event basis.

Following the guidelines below, observers will be allowed at LAHS home games:

- Observers are limited to members of an athlete's immediate household
- Observers must wear face coverings at all times and in compliance with the CDPH Guidance for the Use of Face Coverings (*No gaiters, bandannas or masks with vents will be permitted.*)
- Observers will not attend an athletic competition if they have experienced Covid-like symptoms or had a fever in the past 24 hours
- Observers temperatures will be taken upon entry to an athletic event and only observers with a temperature of 100.3 or lower will be admitted
- Observers must wear the LAHS day-of athletics observer wristband
- Observers must be seated and remain in marked areas to ensure physical distance can be maintained, reduce potential crowding, and maintain indoor and outdoor capacity limits
- Observers must maintain at least six feet of distance between themselves and anyone who is not a member of their household
- Observers will not leave the seating area unless to use the restroom or exit the event
- Observers will follow directions from staff members
- Observers will not be allowed to eat at games and only bottled water will be allowed at games

Observers who fail to comply with social distancing and face covering guidelines will not be permitted to remain in attendance at the event and will forfeit the ability to attend LAHS athletic competitions for the remainder of the school year. I have been notified of the LAHS Athletics Observer Guidelines.
